# SUMMER camps\*

**animal** adventure  
& education **camp**

AGES 7-12

Spend a week going behind the scenes at the Humane Society and get hands-on experience caring for animals. Campers will take exciting field trips and learn about compassion, responsibility, safety and care for a variety of animals.

**career camp**

AGES 13-17

Spend a week learning about exciting careers in the animal field. Campers will take field trips with animal experts, learn about Humane Investigations, spend time in our Veterinary Hospital and gain hands-on experience caring for our shelter animals.

\*This is a recreational summer camp program. The Humane Society is not a licensed child care provider.
